This Privacy Policy informs about the methods of protection of personal data of the users of the website at the electronic address <http://supleshop.pl>. hereinafter referred to as the Online Store. All names written with a capital letter correspond to the definitions contained in the Regulations of the Online Store, to which this document is Attachment No. 1.

II. GENERAL INFORMATION

1. Privacy policy and cookies concerns the processing of personal data by the Seller, USA RedMonster California (full details in the Regulations of the Online Store and on the Store's website) and the use of cookies as part of the online store. 2. The content of the Online Store pages is the property of the Data Administrator and is legally protected. 3. The online store performs the functions of obtaining information about customers and their behavior in the following way: a. by information entered voluntarily in the forms. b. by saving cookies in the terminal devices (so-called "cookies"). c. by collecting web server logs by the hosting operator of the Online Store (necessary for proper operation of the website).

III. INFORMATION IN THE FORM

1. USA RedMonster California collects information provided voluntarily by the customer. 2. USA RedMonster California can automatically save information about the connection parameters (time stamp, IP address). 3. The data in the form are not made available to third parties otherwise than with the consent of the client, unless otherwise specified below (results from the law). 4. The data provided in the form are processed for the purpose resulting from the function of a specific form, eg to process the Registration (account creation) or Order process (payment, dispatch, complaint).

IV. INFORMATION ON COOKIES

1. The online store uses cookies. 2. Cookies (so-called cookies) are IT data, in particular text files, which are stored in the Customer's end device and are intended for use on the Online Store website. Cookies usually contain the name of the website from which they originate, their storage time on the end device and a unique number. 3. The entity placing cookies on the terminal equipment of the Customer and obtaining access to them is the operator of the US RedMonster California Online Store. 4. Cookies are used for the following purposes: a. create statistics that help to understand how the Online Store customers use websites, which allows improving their structure and content; b. maintaining the client's session (after logging in), thanks to which the customer does not have to enter the login and password on each subpage of the Online Store; c. determining the Customer's profile in order to display him tailored materials in advertising networks, in particular the Google network; 5. As part of the Online Store, two basic types of cookies are used: "session" (sessioncookies) and "permanent" (persistentcookies). cookies a. "session" files are temporary files that are stored on the client's end device for the time of trip, leave the website or disable the software (internet browser). b. "permanent" cookies are stored in the Customer's end device within the time specified in the cookie file parameters or until they are removed by the Customer. 6. Software for browsing websites (web browser) usually allows cookies to be stored in the Customer's end device by default. Customers can change their settings in this area. The internet browser allows

deletion of cookies. It is also possible to automatically block cookies. Detailed information on this topic is provided by the web browser or documentation. 7. Restrictions on the use of cookies may affect some functionality of access to the websites of the Online Store. 8. Cookie files placed on the Customer's end device may also be used by advertisers and partners cooperating with the Online Store. 9. Cookies may be used by advertising networks, in particular the Google network, to display advertisements tailored to the manner in which the Customer uses the Online Shop. For this purpose, they can keep information about the Client's navigation path or the time of remaining on a given page. 10. The customer may not consent to the processing of cookies without accepting the consent of the processing displayed on the site (this may cause incorrect operation of the service). 11. In terms of information about customer preferences collected by the advertising network, Google Customer can view and edit information derived from cookies using the tool: <https://www.google.com/ads/preferences/>.
